The Drew Shoe Plus Fitting System®

An innovative design offering extra depth and customizable space in Drew shoes with two removable insoles to accommodate prescribed orthotics or to just provide a more generous fit. Drew's mission is to promote a healthier lifestyle from the feet up.

Key Features

- **Two Removable Footbeds:** Includes a primary insole and a second EVA spacer.
- **Customizable Fit:** This optional EVA spacer allows for more toe room.
- **Versatility:** Drew's Plus Fitting System® addresses and alleviates lower body health conditions and various foot ailments by accommodating off the shelf and custom orthotics.

Style specific features can be found on our Quick Last Reference charts on pages 14 and 26.
